10. Candidates should be informed that Indian universities/educational institutions are autonomous and independent and hence have their own eligibility criteria.
11. Mission should issue the appropriate visa only when the Council communicates confirmed admission for a particular student. Scholars for structured under-graduate and post-graduate courses should be issued Student Visas. M. Phil., Ph.D, Casual Research and Post-doctoral research scholars should be issued Research Visas.
12. According to the new rules, all students seeking admission to M.Phil and higher degree courses now require Research Visas instead of Student Visas. Mission must note that it is quite impossible to convert a Student Visa into Research Visa once a student is already in India. It is better to keep a student waiting in his/her country while their request for admission is being processed rather than sent the student to India on some other visa.
13. Please issue visa for entire duration of course if MHA guidelines allow Mission to do so.  
**Note:** Ministry of Home Affairs/Government of India guidelines stipulates that if a scholar arrives without the proper visa and his actual admission at the university/institute cannot materialize, he/she will be deported to his/her country for the required change in visas.
14. Before their departure for India the scholars must be adequately briefed by our Mission about living conditions in India and terms and conditions.
15. Hostel accommodation is not guaranteed. The small accommodation allowance that ICCR gives lieu of hostel fees is paid only after prior approval of ICCR is obtained for staying in private accommodation. It is important that the students are aware of this situation.
16. Scholars should be advised to carry some money with them to meet incidental expenditure on arrival.
17. Please note in case of scholar pursuing science courses the expenditure on laboratory chemicals and other related incidental charges will be borne by the scholars themselves.
18. One way tickets should be purchased only for those students who have been accepted under schemes which provide airfares.

**APPLICATION WILL NOT BE ACCEPTED BY ICCR FOR PROCESSING AFTER 15<sup>th</sup> JUNE 2016.**

**NOTE:**

There is no guarantee of admission in your choice of University / Institution. In case of non-availability of a particular course in a particular Institution, the Council will forward the application to other Universities/Institutions where such courses are available.

The Council would try to accommodate the candidates as per their choice of course/institute. However, the Council reserves the right to offer admissions for any course or institution in India even if these are not among the candidate's preferred choice. While the candidate may decide whether or no to accept such an offer, it may be noted that once accepted, no change in either course or University will be permitted.
